

SECTION W-1S

# ORDER OF THE ARROW

Brother

It is with great pleasure and congratulations that we, the officers of Section W-1S, welcome you to the brotherhood of eagles. You are a determined and diligent individual; few Scouts ever attain the rank of Eagle. While your journey to the pinnacle of Scouting may have been daunting and challenging, we know that every step you took was with great care and pride.

Although you may feel as if you have reached the top, this is just the beginning. We urge you to continue to use your strong leadership skills to better yourself and the world. Use the lessons that Scouting taught you to seek the higher vision. Once an Eagle, always an Eagle.

Congratulations, and WWW,

Sincerely,

Christopher McCracken
